My Passport™ Essential™ Portable Hard Drives

USB Powered
Sync & Encryption
Ultra-portable Design

Ideal for sharing large files between office and home, between PC and Mac®.

11 Delicious Colors To Go. Indulge!

Carry your music, video, and photos in style with WD's My Passport Essential Portable Hard Drive. Big capacity in a small elegant design. Pick the one that satisfies your appetite for style.

- **USB powered** – Powered directly from the USB port on your computer. No separate power supply is needed.*
- **Synchronized and secure** – Plug My Passport into any PC, edit files, read e-mail, and view photos. Then sync all of your changes back to your home or office computer. Your data is protected with 128-bit encryption. *(Windows® only)*
- **Big capacity that fits in your pocket** – This compact drive fits easily in your pocket or purse, weighs only a few ounces and with capacities up to 320 GB, you can take tons of photos, videos, files and music with you wherever you go.

**An optional cable is available for the few systems that limit power from the USB port.*
